P&S No.	Description	Std. Pkg.	Price/Each
PT5362*	20A, 125V, NEMA 5-20R duplex receptacle.	10	\$3.98
PT2095*	20A, 125V, NEMA 5-20R GFCI receptacle	10	18.29

*Add suffix for color: I = Ivory, LA = Light Almond, W = White, RED = Red, GRY = Gray.

PLUG TAIL RIGHT ANGLE CONNECTORS

P&S No.	Description	Std. Pkg.	Price/Each
PTRA6STR	6" stranded, THHN 12.	10	\$1.35
PTRA6SOL	6" solid, THHN 12.	10	1.19

P&S PlugTail is proven to be the fastest, most reliable wiring device installation for any commercial job.

At rough-in, install the pre-stripped leads of a P&S PlugTail connector instead of pigtailed.

At device installation, click in the connector and tighten the mounting screws — done in less than a minute.

PlugTail devices are available in multiple configurations including: Standard & Decorator Style Receptacles, Tamper Resistant Receptacles, and LED Nightlight Combination Receptacles.

RESIDENTIAL NETWORKING

RESIDENTIAL NETWORK WIRING

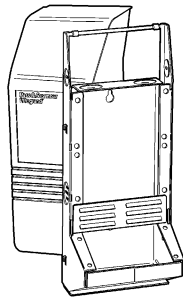

In addition to the below telephone and video modules, the network system will support:

- Computer networking modules – share the internet on multiple computers in the home.
- Audio distribution modules – enjoy stereo or any audio source throughout the home.
- Camera module – monitor what is happening both inside and outside the home.
- Home office modules – manage multiple telephone lines for family and business.

CALL FOR DETAILS REGARDING FUNCTION AND APPLICATION.

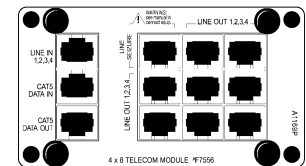

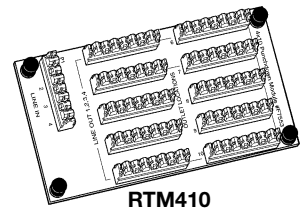

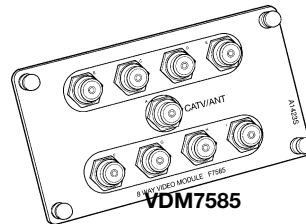

HOME NETWORK BRACKET

Provides central distribution point for basic communications. Each bracket will support telephone, video, and one additional space for upgrades. Mounts on drywall or plywood backing. Surface mount for easy retrofit applications. Brackets can be ganged for future expansion.
